**A.—Sri N. RACHIAH** (Minister for Agriculture, Exice and Social Welfare).—

(a) Government waste lands are being given on lease for planing cashew in the South Kanara and North Kanara Districts. Steps have been taken to grant loans for the cultivation of cashew at Rs. 150 per acre. Good selected seeds, good seedlings and air-layers are being collected and raised by the Development staff and supplied to the ryots at practically the cost price. Seeds, Seedlings, and air-layers are not only supplied to the leased lands but also to private patta lands for planting. Practical demonstrations of digging pits at correct distances, refilling and planting are done by the Development staff as well as by the regular staff of the Agricultural Department.

(b) Steps have been taken to train all the Fieldmen and Field Assistants working under the Cashew Development Scheme in Cashew cultivation at the Central Cashew Research Station, Kotekar.

(c) The Public and the cultivators are being educated by addressing a number of Block Advisory Committee Meetings and ryots camps, on the Cashew Development Scheme and the correct way of cultivating Cashew. Arrangements have been made to print
